Dear Sirs:

I am writing to confirm that following your successful public hearing before the Town of New Windsor Zoning Board of Appeals all the area variances sought by GMH were granted on September 9, 2002. The site is now approved for the intended use and all Zoning Board of Appeals requirements have been satisfied.

At that time the application of GMH Military Housing, LLC was referred back to the Planning Board. Your engineers are now working with the Planning Board consultants to finalize the site plan details for a submittal to the Planning Board and a public hearing scheduled for December 13, 2002.

Very truly yours,

Philip A. Crotty
